

BRIDGES OUT OF POVERTY

Strategies for
Professionals &
Communities

BRIDGES WORKSHOP

Bridges Out of Poverty is a research-based framework that helps develop a deeper understanding of poverty and its impact on individuals, families and communities.

This 1-day workshop will provide valuable insights and strategies that can help improve how we interact with and provide services to members of the community.

PARTICIPANTS WILL:

- Examine the impact of poverty on families and communities
- Explore the hidden rules of economic class
- Identify ways to improve relationships and interactions
- Develop new tools and strategies to better address individuals' needs
- Discuss stability within family and support systems, and the importance of building social capital
